

Create Your Mini Marketing Plan

Task: Think about your business (or a business idea you would like to start). Use the steps below to create a short plan for how you will reach your customers.

1. My Product/Service:

What am I selling? (*Example: Chapati, Mitumba clothes, Mobile money services.*)

2. My Customers (Market – the people):

Who will buy from me? (*Example: Boda riders, school children, office workers, mothers in the estate.*)

3. My Place (Market – the place):

Where will I sell? (*Example: Near a bus stop, at Gikomba, online on WhatsApp.*)

4. My Price:

What will I charge? Will I give discounts? (*Example: Ksh 20 per chapati, “Buy 4 get 1 free.”*)

5. My Promotion:

How will people know about me? (*Example: Posters, word of mouth, free samples, WhatsApp groups.*)
